

## Hen Dance Party Client Feedback

Absolutely fantastic! I did a Beyoncé dance party with some family & friends for my hen do and we had a brilliant time. Melissa was great fun & really down to earth. She was great at making us feel confident, regardless of our ability. We had so much fun and I highly recommend for ANY occasion!

Melissa choreographed a piece for my hen party. She taught us all the dance and we all had a great time. She then recorded us doing the dance and sent it to us so we could practise at home. We surprised my groom and all our guests at the wedding reception by dancing the piece. Everyone thought it was brilliant. One of the highlights of our day!

I booked Melissa for my friend's hen do in July 2017 and I can safely say we all had a ball. We had a Beyoncé routine and all 12 hens had so much fun! Melissa choreographed a fantastic routine and it was the perfect activity for a girl's weekend away in Devon. Thank you Melissa for a fantastic afternoon and for showing us how to give Beyoncé a run for her money 😊 I want to do it all over again!

I booked Melissa for my sister's hen do, which included 13 ladies, all differing dance abilities, and wow, did we have fun!!! We did a Dirty Dancing themed dance lesson and it was absolutely brilliant! She is a fantastic, passionate dance instructor and did all the warm ups and dance to the well-known songs from the film! I would definitely recommend Melissa to everyone, we had an amazing time.

The Dance Shed prepared a dance routine for my hen night! Worked fantastically to cater to all members! We really enjoyed it xx

Melissa had the patience of a saint when confronted with 25 slightly tipsy giggly excited hens!! Melissa brought with her the outfit from Cheryl Cole 'Fight' record which the bride-to-be wore, Melissa was going to attempt to teach us and the bride-to-be the 'routine' performed by Cheryl on X Factor! It was fantastic and great fun, after building up the routine in stages, we were ready to give it our all 30 minutes later, I would highly recommend Melissa for anyone in a wedding party or any occasion to book The Dance Shed.

What a great idea! It was great fun. I am hopeless at dance moves but it was all explained really well and gradually built up to the full performance. A really good day
